3. About six hundred Soviet Air Force troops were quartered in DEUTSCHE WAGRAM (P 49/S 50). Trucks ~~1~~ were parked in front of the billets at 4 Haydnstrasse.

25X1

25X1 a. Occupation of the airfield has not changed. One hundred and fifty-seven Pe-2s allegedly were stationed there on 10 October 1949, the last day of observation. This unusually heavy occupation presumably was due to the temporary presence of another unit.
